FAT BARON SHIRAZ

Origin: Regional Península de Setúbal

Vintage: 2016

Grape Varieties: 100% Shiraz

Alcohol: 14,5%

Vinification: Fat Baron Shiraz was grown in the very sandy Fernando Pó vineyard, where hot days are tempered by cool nights, thanks to coastal breezes and the moderating influence of the Tagus and Sado Rivers. Aged for 4 months in French and American oak barrels.

Characteristics: Fat Baron Shiraz is a richly-flavoured, garney-coloured wine has aromas of ripe dark fruit, with the spiciness so emblematic of this grape variety. A velvety, full bodied red from an excellent vintage, with a persistent finish.

Suggestions: Perfect to serve with red meat dishes, roasts and game.

Winemaker: Jaime Quendera
